

GBA-Newsletter – April 2013

Der Newsletter erscheint monatlich und informiert über Neuerscheinungen, Termine (Vorträge, Tagungen, ...) und andere Aktivitäten der Geologischen Bundesanstalt (www.geologie.ac.at).

GBA-TERMINE

VORTRAGSREIHE: Montag, 8. April 2013, 14.00 Uhr

Geoscience in Korea - Ongoing Research Trends at the Korea Institute of Geoscience and Mineral Resources (KIGAM) (Vorträge in Englisch!)

Sung-Ja Choi: **Active fault mapping in Korea**

Hyun-Cheol Kim: **Tectonic evolution of the western part of the Korean peninsula**

Yongcheol Kim: **Management of aquifer recharge in Korea**

Sung-Rock Lee: **Gashydrate exploration in Korea**

Tae Jong Lee: **Geothermal energy in Korea**

Seho Hwang: **Geophysical well logging in Korea**

Ort: Vortragssaal der GBA, 1030 Wien, Neulinggasse 38.

Kontakt: Christoph.Janda@geologie.ac.at

Tagung: Alpine Workshop 2013

9.–12. September 2013

Symposium: European Symposium on Fossil Algae

9.–11. September 2013

Ort: Schladming, Congress-Center.

Details: <http://alpine-workshop2013.uni-graz.at/>

Den Tagungsflyer für beide Veranstaltungen finden sie am Ende dieses Newsletters.

GBA-INFO

Finale Arbeiten an der Neuauflage von Rocky Austria

Elf Jahre nach der letzten, mittlerweile vergriffenen Auflage von Rocky Austria – dem populärwissenschaftlichen Werk über die Geologie von Österreich der Geologischen Bundesanstalt – und Aufgrund der großen Nachfrage hat sich die Bundesanstalt entschlossen eine komplett neu überarbeitete Auflage herauszubringen. Die Arbeiten daran sind in der Endphase und die 3. Auflage von Rocky Austria wird demnächst im Buchhandel und über den Verlag der Geologischen Bundesanstalt erhältlich sein.

IMPRESSUM:

Eigentümer, Herausgeber & Verleger: Geologische Bundesanstalt,
A 1030 Wien, Neulingg. 38, Für den Inhalt verantwortlich: Mag. Christoph Janda www.geologie.ac.at

Schladming, Austria

300 km from Vienna
220 km from Munich
180 km from Graz
90 km from Salzburg

VENUE

Congress-Schladming

The Congress-Schladming will have 7 convention rooms with capacities from 20 up to 1400 persons. The impressive panorama as well as the inviting construction with its open architecture, equipped with the best available technology guarantees a great experience in the Congress-Schladming. For all information about the facilities, infrastructure and services visit the website: www.congress-schladming.com

Sporthotel Royer ****Superior

The Royer is a world of its own with its service leaving nothing to be desired and its unequalled charm. Modern conference technologies leave nothing to chance; part of the Meeting activities will be in these facilities. Congress-Schladming is only two minutes walk away. For more information visit the website: www.royer.at

CALENDAR

December 2012: Sessions submission close.
January 2013: CALL FOR ABSTRACTS; Abstract submissions open. Standard registrations commence.
30 April 2013: Abstract submissions close. Standard registrations close (meetings, field trips). Late registrations commence.
July 2013: PROGRAMME

CORRESPONDENCE... ALPINE WORKSHOP

Walter Kurz
Institute of Earth Sciences
University of Graz
Heinrichstrasse 26
8010 Graz
Austria
alpine-workshop2013@uni-graz.at

CORRESPONDENCE... FOSSIL ALGAE

Montanuniversitaet Leoben
Department of Applied Geosciences and Geophysics
IFAA2013 - Hans-Juergen Gawlick
Peter-Tunner Strasse 5
8700 Leoben
Austria
IFAA2013@unileoben.ac.at

INTERNATIONAL FOSSIL ALGAE ASSOCIATION

7th European Symposium on Fossil Algae

<http://web.ku.edu/~ifaa/home.html>

IFAA2013@unileoben.ac.at

9th - 11th September 2013
Schladming, Austria

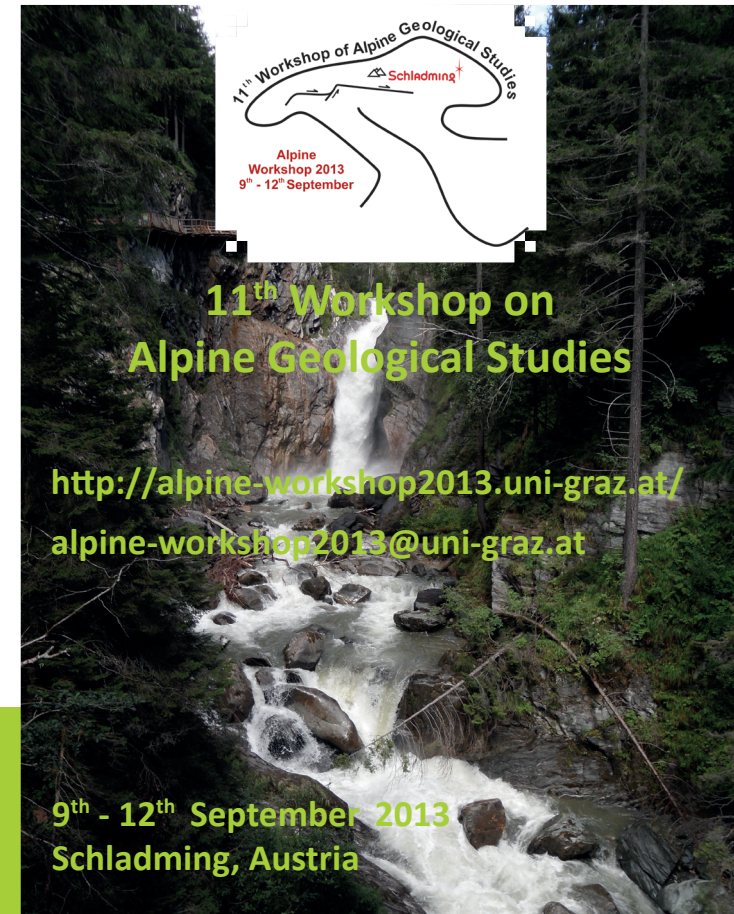

ORGANIZING INSTITUTIONS

Montanuniversitaet Leoben
Department of Applied Geosciences and Geophysics
Congress-Schladming
Sporthotel Royer
Schladming-Rohrmoos | Schladming-Dachstein Tourist Office

ORGANIZED BY

Hans-Juergen Gawlick, Chairperson | Montanuniversitaet Leoben
Sigrid Missoni | Montanuniversitaet Leoben
Felix Schlagintweit
Bruno Granier | Universite de Bretagne Occidentale

ALPINE WORKSHOP 2013

<http://alpine-workshop2013.uni-graz.at/>
alpine-workshop2013@uni-graz.at

9th - 12th September 2013
Schladming, Austria

ORGANIZING INSTITUTIONS

Karl-Franzens University Graz
Institute of Earth Sciences
Montanuniversitaet Leoben
Department of Applied Geosciences and Geophysics
Geological Survey of Austria
Congress-Schladming
Sporthotel Royer
Schladming-Rohrmoos | Schladming-Dachstein Tourist Office

ORGANIZED BY

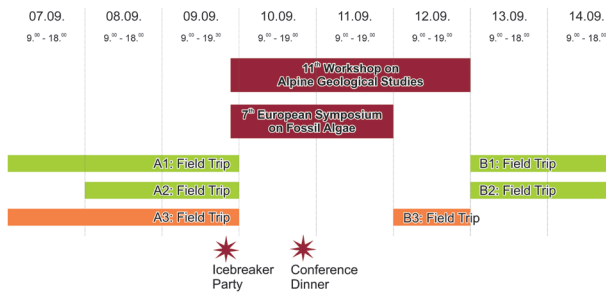

Walter Kurz, Chairperson | University of Graz
Harald Fritz | University of Graz
Kurt Krenn | University of Graz
Hans-Juergen Gawlick | Montanuniversitaet Leoben
Sigrid Missoni | Montanuniversitaet Leoben
Ralf Schuster | Geological Survey of Austria

11th Workshop on Alpine Geological Studies (Alpine Workshop 2013)

7th European Symposium on Fossil Algae

Schladming, Austria: 9th - 12th September 2013

FIELD EXCURSIONS

- A1: Southern Alps of Slovenia in a nutshell: Paleogeography, tectonics, and active deformation | 3 days
- A2: Structural evolution of the Silvretta-Seckau nappe system in the area of the Schladminger Tauern | 2 days
- A3: Triassic to Early Cretaceous shallow-water carbonates in the central Northern Calcareous Alps (Northwestern Tethyan realm) | 3 days
- B1: Cross section from the Austroalpine nappes to the Penninic and Subpenninic nappes of the Tauern Window | 2 days
- B2: Triassic to Early Cretaceous geodynamic history of the central Northern Calcareous Alps (Northwestern Tethyan realm) | 2 days
- B3: Lower to Middle Devonian algal limestones of the Graz Palaeozoic | 1 day

SCIENTIFIC PROGRAMME...

'11th Workshop on Alpine Geological Studies'

- Theme 1: Tectonostratigraphy
The Alps-Apennine junction
Triassic-Cretaceous tectonostratigraphy in the Alpine Carpathian Dinaride realm
- Theme 2: Structural evolution
- Theme 3: Basin evolution
Basins in modern and ancient convergent plate margins
- Theme 4: Sediments in mountain chains
- Theme 5: Stratigraphy and facies
- Theme 6: Metamorphic processes
- Theme 7: Hazards, events, climate signatures
Climate versus tectonics! What are the causes for (non) uniform exhumation and erosion in the Western/Central- and Eastern/Southern Alps?
- Theme 8: Modelling and application
- Theme 9: Geophysics/Seismics/Petrophysics
- Theme 10: Georesources/Applied geosciences
Hydrogeology in Alpine catchments
- Open Theme

SCIENTIFIC PROGRAMME...

'7th European Symposium on Fossil Algae'

- Theme 1: Calcareous algae
Fossil geniculate coralline algae from the Early Cretaceous to the Holocene
- Theme 2: Microbial carbonates
- Theme 3: Micro-encruster
- Open Session

ACCOMMODATION

Schladming and the Schladming-Dachstein region offer a diverse range of stylish hotels, comfortable vacation apartments, guest houses, bed and breakfast guest beds, camping or for an exceptionally authentic experience a farm holiday. Prices for suitable accommodations start at 28 EURO/night (incl. breakfast and tax).

Schladming-Rohrmoos Tourist Office

Participants will be offered a wide range of accommodation options, most of them in walking distance to the venue. Several have been reserved for this meeting and will be offered at special rates:

11th Workshop on Alpine Geological Studies http://www.schladming-dachstein.at/de/aktuell/veranstaltungen/11th-workshop-on-alpine-geological-studies_e83508#f_1378677600

7th European Symposium on Fossil Algae http://www.schladming-dachstein.at/de/aktuell/veranstaltungen/7th-european-symposium-on-fossil-algae_e81498#f_1378677600

Schladming-Rohrmoos Tourist Office helps to organize inexpensive and exclusive one-way and round-trip opportunities between the airports and Schladming. Transfer service and all reservation facilities will be arranged by our advisors of the Schladming-Rohrmoos Tourist Office
Ms. Tanja Schweiger: tanja@schladming.at
Mr. Johannes Baltl: Johannes@schladming.at

Sporthotel Royer ****Superior

The Sporthotel Royer offers for participants of the 11th Workshop on Alpine Geological Studies and the 7th European Symposium on Fossil Algae special rates:

€ 90,- price per person and day for single room use,
€ 75,- price per person and day for double room use; breakfast buffet and taxes are included.

Reservations for this highly recommended way of accommodation will be arranged by the participants, which will directly contact to the Sporthotel Royer (contact: reservierung@royer.at indicating that you are attending the meeting).

Or, visit for accommodations the official tourism website of the region:
www.schladming.at | www.schladming-dachstein.com | www.ramsau.com

... Everything on one card

The very best, most fun-filled activities "all-inclusive" brought together by the Schladming-Dachstein Sommercard. With the Sommercard your vacations is now twice as rewarding - You will get to enjoy the vast majority of the regions recreational opportunities without having to pay one cent extra! When you arrive at one of our outstanding "Card Partners" lodging establishments, you will receive your own Sommercard - it's free of charge and valid for the full duration of your vacation, even on your arrival and departure days. Further information: www.sommercard.info
