

Corrigendum to

**“Impact of dust on tropospheric chemistry over polluted regions:
a case study of the Beijing megacity” published in Atmos. Chem.
Phys., 10, 3855–3873, 2010**

S. Zhu^{1,2}, T. Butler², R. Sander², J. Ma¹, and M. G. Lawrence^{2,3}

¹Chinese Academy of Meteorological Sciences, Beijing, China

²Max Planck Institute for Chemistry, Mainz, Germany

³University of Mainz, Mainz, Germany

Unfortunately, there are some mistakes in the authors' affiliations. The correct affiliations are:

S. Zhu^{1,2,3}, T. Butler³, R. Sander³, J. Ma¹, and M. G. Lawrence^{3,4}

¹ Key Laboratory for Atmospheric Chemistry, Chinese Academy of Meteorological Sciences, Beijing, China

² Graduate University of Chinese Academy of Sciences, Beijing, China

³ Max Planck Institute for Chemistry, Mainz, Germany

⁴ University of Mainz, Mainz, Germany
