

*Corrigendum to*

**“Effects of environmental factors and soil properties on topographic variations of soil respiration” published in Biogeosciences, 7, 1133-1142, 2010**

**K. Tamai**

Forestry and Forest Products Research Institute, Tsukuba, Japan

In the above mentioned manuscript a mistake in Fig. 5 occurred. The corrected version of the figure is as follows.

**Fig. 5.** Comparison of observed and calculated respiration rate in Kahoku Experimental Forest. Cross: Plot T. Black diamond: Plot U. White square: Plot M. Gray diamond: Plot L.
