We would like to inform you that there is a mistake in the following sentence on p. 4296 (right column):

Because of following relationships  $A^a = A^f + K(D - \mathbf{H}A^f) \cong A^f K \mathbf{H} A^f$  and  $D=0$ ,  $P^f \mathbf{H}^T K^T = K \mathbf{H} P^f$ , then error covariance in Eq. (3-3) is rearranged as followed (Sakov et al., 2008).

The correct sentence should read:

Because of following relationships  $A^a = A^f + K(D - \mathbf{H}A^f)$ ,  $D=0$ , and  $P^f \mathbf{H}^T K^T = K \mathbf{H} P^f$ , then error covariance in Eq. (3-3) is rearranged as followed.
